"Special Opportunity" for Winter Needs Sale

BEGINS SATURDAY, OCTOBER 31

On the threshold of Winter's necessities, the thrifty shopper seeks the most economical avenue for the outlay of well-earned savings. And this is where the big "Fordyce-Osborne" store looms up as the guiding star for the filling of the want list, from a stock of merchandise such as this store's household name implies. We'll be too busy later on to give these special savings sales; maybe this will be the last one until after Christmas, and we want everyone to take part in it, receive their share of the bargains, just when you will need them. We ask every one of our patrons to come here EARLY Saturday morning, want every one to make a special buying day of it here. No such bargain happening at any of our former sales as this-no such sweeping of profits in the different departments. You'll find this store full of enthusiasm on Saturday morning, for these special values. The popular saying "You'll find everything just as advertised at Fordyce's" fully exemplified here Saturday. We would kindly request all who can to be here in the morning, as later in the day we expect throngs at every department.
